

GUIDELINES
for selecting
VHHS Athletic Club
SCHOLAR ATHLETES

The Valley Head High School Athletic Club will sponsor a “Scholar Athlete Scholarship” to be awarded on AWARDS DAY to one SENIOR athlete. An “athlete” is defined as anyone earning a varsity letter in football, basketball, baseball, softball, golf, cheerleading and any other sport that may be included hereafter.

Each senior athlete with an overall GPA (Grade Point Average) of 85, or above, in the core academics (this excludes the PE grade) will be eligible for this scholarship. The GPA will be obtained from the school counselor.

The athletes who apply for the scholarship must be planning to further their education, must be of good character, and must show leadership qualities not only in their sport, but in the classroom as well.

The teacher of each eligible athlete who applies for the scholarship will be asked to fill out an evaluation form on that student. When completed, all forms will be returned to the school counselor and will then be reviewed by a “Scholarship Committee” consisting of the following: VHHS Principal, Athletic Club President, VHHS Counselor. If a conflict of interest occurs with a committee member, that member will be replaced by the next ranking position in their chain of command.

Information from these evaluation forms combined with the GPA will help determine the scholarship recipient.

The scholarship will be in the amount of \$1000. In the event there is more than one deserving scholar athlete, scholarship funds will be awarded at the discretion of the Scholarship Committee.

When the recipient receives a tuition statement from their chosen college, they will need to submit that to the VHHS Counselor and a check will then be issued to their chosen college in that student’s name. Should the student decide not to enroll in college, the scholarship will be forfeited.
